## COMMENTS

PLEASE take the time to list any comments you may have about the club. Your input, both critical and favorable, is VERY important to our operation in the coming year. All of the survey will be averaged and a master sheet of how JOE AMATEUR feels about the club and what his interests are will be published in the newsletter. Also, and most important, all COMMENTS will be printed as received so that every club member can see how others feel and think. It is a very healthy thing for us to do as your officers will react to input and try to make the club as interesting as possible to the majority. If you are particularly happy about some of the club functions it would be appreciated to hear that as well as your suggestions for improvement. PLEASE TAKE NOTE-This survey is very expensive for us. Over \$60.00 in postage! Please use the enclosed SASE for anonymity and the SAE for your 1982 dues payment. (dues MUST be in by Jan. 31 or-QRT) It's YOUR club, YOUR money, YOUR informative newsletter and OUR future as OTVARC which rides on YOUR input. Thank you.
